

Picture Frame

Supplies Need

- School Bus Pattern (Slide 3)
- Tissue Paper in yellow and white or any colors you would like
- Glue
- Cardstock , heavy paper or foam sheet
- Magnet Tape - Cut into pieces, peel and apply to each corner
- Photos
- Instructions: Print School Bus pattern. Cut out the outline before you glue the tissue paper. Cut tissue paper into 2” squares. Crumple each piece into a tight ball. Dip into white glue and place onto pattern. Start with the small sections first to make sure they keep their definition. Continue crumpling and gluing down pieces until the entire pattern is filled.
- Tape photos to the back of the school bus showing happy faces out of the school bus windows.
- Apply the magnet tape to each corner
- **NOTE I PLAN ON PRINTING PICTURES OF THE POPE AND ST. PETER TO GIVE TO THE KIDS TO INCLUDE ON THEIR PHOTO FRAME. I TAKE PICTURES OF EACH CHILD AT THE START OF VBS AND DEVELOP EACH PICTURE INDIVIDUALLY.**
